

Milk Container

Date

not dated

Primary Maker

Borana people

Medium

gourd, cowrie shells, shell buttons, leather, plastic, plant fiber, white metal and accumulative materials

Description

Although a woman prepared the gourd, some parts of this handsomely decorated container were made by a man; leather, for example, is men's work. Such cooperation between a husband and wife is common.

Dimensions

9 5/8 h. x 7" dia.
