II REG II
Dum raptum super astra vides, Elisee, Magistrum,
Aufers decedam, praemia magna, togam.
Veste sub hac, plenus sub qua fuit igne propheta.
Non frigere Dei cor in amore potest.
*Der Mantel fällt dir zu, da Gott Euch beide trennet
(dich, Ringer, und Prophet) durch feurige Gestalt.
O Mantel (theure Sub!) drum der Prophet gebrennet,
in dir wird wol kein Mensch an Gottes Liebe kalt.*
